Ref.: 1049_292913 **Date:** 11 - 20 May 2025 **Location:** Kuala Lumpur (Malaysia) **Fees:** 6500 Euro

Introduction

Demands to increase the effectiveness and efficiency of leaders and managers in today's business environment are more prevalent than ever before. People can become more effective and efficient if they have the desire and willpower to change their work behavior. However, confident leadership and management principles must be learned and practiced, and these principles take work to come naturally.

Participating in this management and leadership course, a person learns and develops skills in these areas through a never-ending process of self-study, education, training, and experience. In a fast-paced, constantly changing world, personal development is an effective practice a manager must possess to sharpen the variety of skills needed to carry out responsibilities and accomplish the organization's goals.

This comprehensive Course on Management and Leadership is designed to assist individuals at all levels in developing or enhancing their leadership and management capabilities to achieve extraordinary results. By incorporating critical concepts from leadership training courses for managers, this course will enable participants to refine their skill sets and grow as organizational leaders.

Targeted Groups

- Head of departments
- Managers among all the managerial levels
- Supervisors
- Team leaders
- Employees who have the potential to be promoted to a supervisory or managerial role

Leadership Training and Development Across Levels

Enhancing the abilities of individuals at every stage of their management journey is crucial for organizational growth.

In tandem with leadership training for mid-level managers and leadership development programs for senior managers and directors, this course offers a comprehensive curriculum to amplify individuals' impact in their respective roles.

These leadership and management training courses are meticulously designed to empower attendees in effectively shaping their organizations' future.
