Talent & Success Management Masterclass Conference

Ref.: 8216_293960 **Date:** 24 - 28 Feb 2025 **Location:** Geneva (Switzerland) **Fees:** 5500 Euro

Introduction:

Talent Management has become an essential component of organizational success. This talent management and success masterclass is designed to outline the crucial aspects of successful talent management and emphasize how organizations can attract, nurture, and retain top talent.

This talent management and success program focuses on creating the right environment and strategic pay structures. It provides participants with a robust talent pipeline model and practical tools for immediate workplace application.

Mastering Talent Management and Succession Planning:

A successful Talent Manager appreciates the intricacies of developing a compelling succession plan. In this talent and success management conference, we explore the talent management certificate program, talent management master's degree, and other training avenues, offering participants the opportunity to become certified in talent management.

Insights gained from this talent and success management masterclass will empower the talent development manager or talent program manager and arm them with the skills needed for a master's in talent management.

Targeted Groups:

- Managers, Supervisors, and Team Leaders.
- HR Professionals.
- Talent Management Specialists.
- HR Team Leaders.
- HR Managers.
- HR Business Partners.
- Line Managers.
- Individuals seeking to enhance their knowledge and skills in Talent and Success Management.

Conference Objectives:

By the end of this talent management and success masterclass conference, participants will be able to:

- Articulate the business case for integrating talent and succession management into the company's strategic policy.
- Distinguish the value of a differentiation strategy in successful talent management.
- Employ models to craft the proper organizational framework that empowers talent.
- Implement remuneration processes that foster high performance and successful talent management.
- Utilize techniques that transform recruitment into a talent magnet.
- Direct organizational design using the stickers, movers, and leavers model for optimal talent management.
- Tackle the principal reasons for talent attrition.
- Enhance training and development to run impactful programs.
- Employ new approaches to talent management and succession planning for greater effectiveness.
- Manage non-performers with strategic HR knowledge management.

Targeted Competencies:

At the end of this talent management and success conference, the target competencies will be able to:

- Talent and succession management.
- Strategic thinking.
- Implementing assessment and development centers.
- Performance Management.
- Succession Planning.
