Culture & Change Management in HR

Ref.: 15119_294529 **Date:** 26 Aug - 06 Sep 2024 **Location:** London (UK) **Fees:** 9300 **Euro**

Introduction:

This critical HR change management and organizational culture training course focuses on vital areas of modern Human Resource Management HRM. It is a unique seminar that addresses core HR issues critically and objectively.

This HR change management and organizational culture course also provides a theoretical background, guidelines on best practices, and skills development in organizational development processes, all from an HR perspective.

The Important Role of HR in Change Management:

Understanding change management in HR is essential for any organization looking to adapt and thrive in a constantly evolving business landscape. Change management in HR refers to the methodologies and practices used to steer and manage change within an organization's human resources function and, by extension, the entire company culture.

Organizational culture and change management are deeply interconnected, and the culture change management process is pivotal to successfully implementing transformations within a company. This course provides insights into this intricate relationship and offers strategic approaches to navigating changes effectively.

Targeted Groups:

- Top Management.
- HR Management.
- HR Staff.
- Managers and Heads of Departments.
- Individuals seeking to improve their careers with new skills and knowledge.
- Professionals and Supervisors aiming to enhance change management competencies.
- People need to update their expertise in Change Management best practices.
- Newcomers to HR or Personnel Departments requiring formal HR Training.
- HRM personnel want to stay current with changing practices and trends.
- All levels of HR involvement.
- Those benefiting from an understanding of the HR role and function.

Course Objectives:

Participants in this HR change management and organizational culture course will gain the ability to:

- Design a change management model in their workplace.
- Comprehend organizational culture.
- Identify culture-bound change management practices.
- Develop practical OD skills.
- Understand performance management in a multi-cultural environment.
