Madrid (Spain)

# Bank Recovery and Resolution

**Ref.:** 15346\_304985 **Date:** 23 Jun - 04 Jul 2025 **Location:** Madrid (Spain) **Fees:** 8500 **Euro**

## Introduction:

Recovery and resolution are one of several key international work streams aimed at addressing the risks posed by global systemically important financial institutions. Through this course we aim to cover the key issues, tools, and techniques used to create and manage a RRP and the real-life challenges faced by financial institutions in the RRP process. Following the credit crisis and subsequent rescue of failing financial institutions by governments, Recovery and Resolution Planning RRP rules are being implemented globally, which require banks, building societies, and investment firms to produce a Recovery plan and Resolution pack.

## Targeted Groups:

- Board Members
- Chief Financial Officers CFOs
- Risk Managers
- Personnel and executives working for the internal audit or compliance department
- Financial analysts
- Credit analysts
- Liquidity specialists

## Learning Objectives:

- Explain the building blocks of crisis preparedness and management.
- Identify weak banks and devise strategies for dealing with them.
- Pinpoint key design features of effective resolution regimes and options for enhancing Operational preparedness.
- Identify stabilization options in response to financial panic and design credible
- Strategies for bank restructuring and resolution at an individual and system-wide level.
- Compare options for dealing with distressed assets.
