Leadership & Strategic Impact Training Course

Ref.: 15419_307234 **Date:** 03 - 14 Feb 2025 **Location:** Casablanca (Morocco) **Fees:** 5400 Euro

Introduction:

This leadership and strategic impact training course empowers delegates with tools and techniques for preparing forecasts and envisioning potential futures while addressing essential leadership skills required to mobilize a workforce, such as communication, persuasion, influence, and delegation. As leaders in their respective organizations, participants will learn to embrace a more flexible and dynamic approach to strategy and strategic planning, embodying what strategic leadership is.

By grasping strategic leadership's importance and benefits, attendees will be equipped to play a transformative role within their organizations, aligning team efforts with a strategic leadership process that drives toward defined strategic leadership goals. Discussing real-life strategic leadership solutions will ensure that participants can practically apply their knowledge in their leadership impact roles, exemplifying why strategic leadership is important and how it can lead to significant strategic impact within their companies.

The Importance of Strategic Leadership:

Effective strategic leadership is crucial for organizational success in today's fast-paced business environment. This strategic leadership and impact course involves setting a vision for the company, crafting strategic goals, and guiding an organization through change while maintaining a long-term view. It delves into the elements of strategic leadership, providing participants with a strategic leadership framework and a clear understanding of strategic leadership responsibilities. It will enable participants to gain a strategic leadership certificate, highlighting their leadership skills and dedication to impactful leadership.

Targeted Groups:

- Head of departments.
- Managers at all levels.
- Supervisors and Team leaders.
- Strategic Planning department staff.

Course Objectives:

By the end of this leadership and strategic impact course, participants will:

- Employ a diverse set of strategic analysis tools.
- Understand the necessity of developing scenarios to manage uncertainty effectively.
- Acknowledge the critical role of inquiry before providing solutions.
- Bolster key leadership capabilities encompassing influence, persuasion, and negotiation.
- Identify the qualities in staff necessary for driving successful change.

Targeted Competencies:

At the end of this leadership and strategic impact training, participants competencies will:

- Strategic Vision Development.
- Effective Decision Making.
- Transformational Leadership Skills.
- Organizational Change Management.
- Advanced Communication Techniques.
- Critical Thinking and Problem Solving.
- Stakeholder Engagement and Management.
- Innovative Thinking and Creativity.
- Emotional Intelligence and Empathy.
- Team Building and Motivation.
