High Impact Internal Audit Leadership

Ref.: 15449_308332 **Date:** 19 - 20 May 2025 **Location:** Paris (France) **Fees:** 4900 **Euro**

Introduction:

This course will focus on the challenges and opportunities internal audit leaders face and show you how you can make a contribution at a strategic level, clearly adding value and also enhancing productivity in the audit process. This training will help you improve your awareness and skills and help you become a better internal audit leader.

Targeted Groups:

- Internal audit management
- Improvement and innovation
- Internal audit delivery
- Persuasion and collaboration
- Governance, risk and control enhancement

Course Objectives:

At the end of this course the participants will be able to:

- Express greater confidence while interacting with senior leaders.
- know what it takes to lead an internal audit team successfully, grasp how to contribute strategically and successfully, and how to drive corporate success overall.
- Understand the purpose of your internal audit function and how it fits into the "assurance jigsaw," as this will have an impact on your major leadership priorities.
- Utilize realistic strategies to control important interactions with the audit committee, senior management, and peers.
- By using effective internal auditing practices, you can add value.
- learn how to effectively manage your important connections with the audit committee, top management, and peers.
- have a clear understanding of what it truly means to provide insight and create value, as well as good practices in relation to your team's efficiency and productivity

Targeted Competencies:

- leadership, management and risk-based planning
- risk management in the internal audit function
- managing internal audit resources
- managing the internal audit engagement process
- marketing internal audit and effective stakeholder relations
- delivering added value and insight
- getting the best from your quality assurance and improvement program
