Change Management: Towards Anchoring a Unique Organizational Culture

Ref.: 15456_308598 **Date:** 30 Dec 2024 - 03 Jan 2025 **Location:** Casablanca (Morocco)
Fees: 3000 Euro

Introduction:

This Organizational Culture and Change Management Strategy training course is focused on vital areas of modern Human Resource Management HRM. It is a distinctive seminar that addresses core HR issues from a fresh and critical perspective.

The Organizational Culture and Change Management Strategy course furnishes a theoretical background, offers guidelines on best practices, and advances skills development in organizational development OD processes, all viewed through the lens of HR.

Organizational culture is the foundation upon which change management strategies are built. Effective change management respects and harnesses organizational culture's unique characteristics, molding strategies that align with an organization's cultural context.

This Organizational Culture and Change Management Strategy course envisions change management and culture not as distinct entities but as coalescing elements that shape and sustain organizational change.

Targeted Groups:

- Professionals and Supervisors who wish to enhance their competencies in change management.
- Individuals who received their training in years past need to be updated with current best practices in Change Management.
- HR practitioners who have recently joined an HR or Personnel Department need more formal HR Training.
- HRM personnel must remain current on best practices and trends in change management and organizational development.
- Anyone involved in Strategic Management who would benefit from insights into the HR role and function.
