Advanced Procurement Strategies

Ref.: 15474_309286 **Date:** 28 Apr - 02 May 2025 **Location:** Paris (France) **Fees:** 4900 Euro

Introduction:

This course aims to improve the skills of the Procurement Professional and Senior Buyers in organizations. Advanced negotiation and procurement techniques, business continuity and contingency planning for procurement are discussed and practiced in simulations. The course examines the strategic importance of procurement departments by using concepts and ideas to maximize the procurement department's effectiveness and thereby reducing costs throughout the supply chain.

The program is an opportunity to develop leadership skills that will assist in working better together, learning to handle conflict situations, implementing time management techniques, and understanding the need to have an attitude that is accepting of change. This program is designed to provide Purchasing Professionals with not only the best practices generally viewed as leading to World-Class performance in procurement activities, but also to provide practical tools and guidance.
