Leadership & Strategic Planning (Certified)

Ref.: 15164_310345 **Date:** 14 - 20 Apr 2025 **Location:** London (UK) **Fees:** 5200 **Euro**

Introduction:

This leadership and strategic planning course is for managers and leaders gearing up to embark on a pivotal position within their organizations, where strategic planning and leadership are key components of their role.

The leadership and strategic planning training participants will delve into developing and executing strategies within a dynamic global environment, managing teams, and handling internal and external resources and relationships to elevate the organizational value chain and drive results.

In this sense, leadership is crucial, and the course emphasizes enhancing a leader's impact and influence to navigate such challenges. Only by adopting a comprehensive view of the business and its global landscape can one grow into an effective, operational, and visionary leader.

The leadership and strategic planning program is designed to equip you with the skills and knowledge necessary to enhance current business performance and lay the groundwork for sustained success in the future.

Strategic Leadership Plenary:

Leadership and strategic planning are intertwined in the sense that effective strategic planning in leadership requires an intricate understanding of the role of leadership in strategic planning. In this leadership and strategic planning course, you will explore how leadership strategic planning shapes the vision and direction of an organization.

As you pursue this strategic leadership certificate, which serves as your certificate in strategic leadership, you will become proficient in strategic leadership planning and understand the fundamental concepts of strategic planning leadership.
