Communication and Negotiation Skills Course

Ref.: 15508_312727 **Date:** 14 - 18 Oct 2024 **Location:** Barcelona (Spain) **Fees:** 4900 **Euro**

Introduction:

We start making negotiations as soon as our day begins, through all our work, social, or family-related interactions. But have you ever wondered how efficiently you negotiate and communicate and whether you could improve? Effective communication and negotiation skills are the basis for building positive and productive working relationships with your co-workers, clients, and professional colleagues.

This communication and negotiation skills course is a straightforward opportunity to practice all the knowledge you have acquired and confirm that the negotiation process is dynamic and can always be improved. It integrates the most recent advances in developing negotiation skills based on modern life complexities, simply and directly. It is designed as a plan of action to improve negotiation and communication skills and to empower individuals with effective communication and negotiation skills that drive success.

Participants will delve into the nuances of strategic communication and negotiations, exploring the difference between communication and negotiation while receiving tailored communication and negotiation skills training. They will also engage in dynamic communication and negotiation skills case studies, providing real-world context to the theory and enhancing their ability to maneuver strategically in business communication and negotiation scenarios.

Discover practical methods to improve communication and negotiation skills through a blend of theory and application. We emphasize the synergy of negotiation skills and effective communication, which can lead to remarkable personal and professional growth achievements. Participants will learn through various exercises and discussions integral to enhancing these essential life skills.
