Advanced Strategies for the Preservation and Promotion of Intangible Heritage

Ref.: 15635_318095 **Date:** 14 - 18 Oct 2024 **Location:** Barcelona (Spain) **Fees:** 5500 **Euro**

Introduction:

Intangible heritage, or living heritage, encompasses traditions, practices, expressions, knowledge, and skills handed down from generation to generation within communities. This Advanced Intangible Heritage Preservation and Promotion Strategies course aims to provide an understanding of intangible cultural heritage ICH, focusing on its identification, documentation, preservation, and promotion strategies.

A dedicated subsection delves into ICH's promotion strategies based on concepts such as what a promotional strategy is, the importance of a promotion strategy, the meaning of a promotion strategy, and the development of promotional strategies. With case studies and best practices, this Advanced Intangible Heritage Preservation and Promotion Strategies training will preserve and bind cultural identities worldwide.

Participants in this Advanced Intangible Heritage Preservation and Promotion Strategies course will conceive and implement effective promotion strategies. They will focus on the importance of promotion strategies in maintaining and celebrating intangible heritage within modern contexts, including effective promotion and employee promotion strategies within organizations tasked with heritage conservation.

Targeted Groups:

- Cultural heritage professionals.
- Anthropologists and ethnographers.
- Museum curators and archivists.
- Educators and academic researchers.
- Government and NGO workers in the cultural sector.
- Community leaders and cultural activists.

Course Objectives

At the end of this Advanced Intangible Heritage Preservation and Promotion Strategies course, the participants will:

- Define and categorize different forms of intangible cultural heritage.
- Apply methodologies for the identification and documentation of ICH.
- Develop preservation and promotion of culture strategies for ICH.
- Engage communities in the self-preservation strategies of their cultural heritage.
- Evaluate the impact of globalization and modernity on ICH.

Targeted Competencies:

Participants competencies in this Advanced Intangible Heritage Preservation and Promotion Strategies training will:

- Analytical skills in cultural heritage contexts.
- Practical skills in heritage documentation.
