

Sustainable Travel and Tourism

25 - 29 May 2025
Manama (Bahrain)

Sustainable Travel and Tourism

Ref.: 15712_321942 **Date:** 25 - 29 May 2025 **Location:** Manama (Bahrain) **Fees:** 5500 Euro

Introduction:

In an era where environmental consciousness and responsible travel are more crucial than ever, Sustainable Travel and Tourism are vital to preserving the world's natural and cultural resources. This course introduces the core principles of sustainable tourism, emphasizing the importance of minimizing environmental impact while maximizing socio-economic benefits for local communities.

Participants will explore strategies for integrating sustainability into travel and tourism practices, from eco-friendly accommodations and transportation to community engagement and conservation efforts. By understanding and implementing these principles, travelers and industry professionals alike can contribute to a more sustainable future, ensuring that the beauty and heritage of our destinations are preserved for generations to come.

Targeted Groups:

- Tourism Industry Professionals.
- Travel Agents and Tour Operators.
- Hotel and Accommodation Managers.
- Transportation Providers.
- Local Government and Policy Makers.
- Community Leaders and Local Businesses.
- Environmental and Conservation Organizations.
- Educators and Students in Hospitality and Tourism.
- Travelers and Eco-Conscious Consumers.

Course Objectives:

At the end of this course, the participants will be able to:

- Define the principles of sustainable travel and tourism.
- Identify strategies for reducing the environmental impact of tourism.
- Implement eco-friendly practices in travel and accommodation.
- Promote community engagement and support local economies.
- Develop sustainable tourism products and services.
- Analyze case studies of successful sustainable tourism initiatives.
- Evaluate and measure sustainability performance in tourism.
- Understand and apply relevant environmental regulations and guidelines.
- Foster responsible travel behaviors among tourists.

Targeted Competencies:

- Understanding Sustainable Tourism Principles.
- Implementing Eco-Friendly Practices.
- Managing Environmental Impact.
- Engaging with Local Communities.
- Developing Sustainable Travel Products.
- Promoting Responsible Travel Behavior.
- Analyzing Sustainability Metrics.
- Enhancing Destination Stewardship.
- Complying with Environmental Regulations.
