Paris (France)

Destination Planning and Development

Ref.: 15718_322178 **Date:** 24 - 28 Mar 2025 **Location:** Paris (France) **Fees:** 5500 **Euro**

Introduction:

Destination planning and development is a crucial aspect of the travel and tourism industry, shaping how locations attract, accommodate, and engage visitors. This process involves a strategic approach to enhance a destination's appeal, optimize its infrastructure, and ensure sustainable growth. Effective destination planning integrates market research, stakeholder collaboration, and innovative design to create compelling travel experiences.

By focusing on current trends and future opportunities, destination planning and development aim to position a location as a competitive and attractive choice for travelers while preserving its cultural and environmental integrity. This course will explore the methodologies, best practices, and key factors in transforming destinations into thriving tourism hubs.

Targeted Groups:

- Tourism and Hospitality Professionals.
- Destination Marketing Organizations.
- Local Government Officials.
- Urban and Regional Planners.
- Real Estate Developers.
