

Communication and Public Affairs (PA) in the Oil & Gas

23 - 27 Feb 2025
Manama (Bahrain)

Communication and Public Affairs (PA) in the Oil & Gas

Ref.: 15751_325372 **Date:** 23 - 27 Feb 2025 **Location:** Manama (Bahrain) **Fees:** 5500 Euro

Introduction:

In the highly competitive and complex oil and gas sector, effective communication and public affairs PA are crucial in shaping public perception, managing stakeholder relationships, and maintaining a company's social license to operate. The industry faces unique challenges, including environmental concerns, regulatory scrutiny, and geopolitical risks, which require strategic communication efforts.

Public affairs professionals must navigate these complexities by fostering transparent dialogues with governments, local communities, and the media while promoting the industry's economic and social contributions. This Communication and Public Affairs PA in the Oil and Gas course will explore the key principles and best practices for successful communication and public affairs within the oil and gas industry.

Targeted Groups:

- Government Agencies.
- Local Communities.
- Industry Stakeholders.
- Media Outlets.
- Environmental Organizations.
- Investors and Shareholders
- Employees and Internal Stakeholders.
- Regulatory Bodies.
- Industry Associations.

Course Objectives:

At the end of this course, the participants will be able to:

- Develop an understanding of the role of communication and public affairs in the oil and gas industry.
- Enhance skills in strategic communication planning to address stakeholder needs effectively.
- Equip participants with crisis communication strategies to manage potential challenges.
- Foster skills in media relations to build and maintain positive relationships with the press.
