Improving HR Performance Indicators

Ref.: 15790_326986 **Date:** 03 - 07 Aug 2026 **Location:** London (UK) **Fees:** 5800 **Euro**

Introduction:

Human Resource Management HRM is one of the key factors in the success of modern organizations. In this Improving HR Performance Indicators course, participants will explore how to strategically manage the workforce to ensure high performance and organizational sustainability. It covers various aspects of workforce planning, recruitment, training, performance evaluation, and promotions, focusing on improving key HR performance indicators KPIs.

The Improving HR Performance Indicators course enhances understanding and application of HR key performance indicators. Participants will learn how to identify and implement effective HR performance indicators tailored to organizational goals. It delves into key performance indicators for HR managers, equipping professionals with the skills to measure and improve departmental success.

By exploring key performance indicators in HR, attendees will master strategies to align human resource performance indicators with business objectives. The Improving HR Performance Indicators program also emphasizes the role of key performance indicators for the human resources department, fostering actionable insights for driving efficiency and achieving measurable results.
