Portfolio, Programme, and Project Offices (P3O®) Certification

Ref.: 15860_335668 **Date:** 11 - 15 Oct 2026 **Location:** Online **Fees:** 1900 **Euro**

Introduction:

The Portfolio, Programme, and Project Offices P3O® Certification training course is designed to equip professionals with the knowledge and skills to establish and manage effective governance structures for portfolios, programmes, and projects. The P3O® framework guides the creation of a support structure that ensures successful project delivery while aligning with organizational strategy.

This Portfolio, Programme, and Project Offices P3O® Certification course covers concepts, best practices, and methodologies for managing and optimizing the performance of portfolios, programmes, and projects through effective office structures. It is ideal for professionals aiming to improve their project management capabilities and enhance organizational project delivery outcomes.

The Portfolio, Programme, and Project Offices P3O® Certification is designed to provide professionals with a comprehensive understanding of portfolio and programme management frameworks. This P3O course offers in-depth training on establishing and managing portfolios, programmes, and project offices P3O to improve decision-making, strategic alignment, and project success.

Whether looking to become a Project Portfolio Officer or a Programme Portfolio Manager, the P3O foundation training equips them with the knowledge to deliver organizational objectives effectively. The P3O framework helps streamline the project portfolio's governance, resource management, and risk control. P3O certification is valuable for anyone wanting to advance their programme and portfolio management career.

Targeted Groups:
