

Mastering Supervisory Skills  
Development Training Course

# Mastering Supervisory Skills Development Training Course

## Introduction

Mastering supervisory skills is an exciting and interactive training program designed to help experienced and second-level supervisors take stock of their roles and develop the skills and approach they need to perform efficiently in the modern business environment.

This robust supervisory skills development course blends practical tools with insightful techniques for leadership and management.

## Enhancing Supervisory Skills for Effective Leadership

Within this supervisory leadership course, a dedicated module focuses on enhancing supervisory skills, aiming to improve the capabilities of supervisors in providing strong leadership.

Participants in the supervisory skills course will learn about best practices in supervisory management and ways to apply them to foster a collaborative and productive work environment. Improving these skills is critical to success and can be indispensable for any supervisory management course outline.

## Targeted Groups

- Supervisors.
- Team leaders.
- Employees who have the potential to be promoted to a supervisory position.
- Persons who want to gain supervisory skills to improve their career.

## Course Objectives

At the end of this supervisory skills course, participants will be able to:

- Extend their understanding of the supervisor's role and the processes of managing up, down, and across the organization.
- Develop a strategy for enhancing the effectiveness of their teams.
- Develop a plan to support and develop the performance of each member of their staff.
- Implement changes and ensure continuous improvement.
- Review their working practices and managerial style.

## Targeted Competencies

- Leadership skills
- Communication skills
- Managing performance
- Time management
- Delegation skills
