

Authentic Leadership: Courage,
Coaching & Ethics Course

Authentic Leadership: Courage, Coaching & Ethics Course

Introduction:

At the heart of effective leadership lies the foundation of trust. However, trust can quickly deteriorate if subordinates and colleagues perceive a leader as insincere, deficient in vision, or reluctant to shoulder responsibility.

This authentic leadership course prioritizes the leader's role in shaping the team's decision-making processes and resolving ethical dilemmas, ensuring the establishment of trust within and beyond the team.

Targeted Groups:

- Managers and supervisors.
- Team leaders.
- Employees seeking to enhance their skills and knowledge for career advancement.

Course Objectives:

By the end of this authentic leadership training, participants will be able to:

- Understand and leverage their unique leadership style.
- Align individual, team, and organizational goals to maximize outcomes.
- Craft and communicate their leadership brand.
- Develop others with integrity and authentic leadership skills.
- Enhance key interpersonal and emotional intelligence competencies.
- Maximizing long-term organizational outcomes.
- Examine underlying values, beliefs, and emotions influencing leadership.
- Establish personal credibility as a cornerstone of leadership.
- Formulate a coherent and compelling shared vision for the future.
- Navigate and resolve ethical dilemmas through ethical leadership and management training.
- Foster and sustain trust within the team and the broader organization.

Targeted Competencies:

- Leadership skills.
- People skills.
- Performance management.
- Coaching and mentoring in leadership.
- Emotional intelligence.
