

The 5-Day Mini Master MBA in HR  
Management Course

# The 5-Day Mini Master MBA in HR Management Course

## Introduction

This intensive 5-day mini master MBA in HR management training course examines how to develop and master the critical areas of Human Resource Management HRM.

HR is changing beyond recognition from the days of the old personnel departments. HR is now recognized as a strategic source of competitive advantage and a predictor of future business performance.

This exciting 5-day mini master MBA in HR management program will update you on the latest techniques and approaches appropriate for effective Human Resources management.

In this 5-day mini master MBA in HR management course, we will cover:

- Strategic HRM in the modern organization.
- Employee reward and how it influences employee behavior.
- Learning and development in the 21st century.
- Performance management in a multicultural environment.
- The latest strategies for adequate resourcing and recruitment.

## Understanding the HR Mini Master and Mini MBA Connection

In alignment with some of the best mini MBA programs, our 5-day Mini Master in HR Management is designed as a concentrated executive mini MBA to empower HR professionals with a robust understanding of business management practices.

Such HR mini-master courses, often termed mini MBA HR, blend the essential knowledge of an MBA in HR management with the practicality of a short MBA course—a mini MBA course structured for those wondering what an MBA HR course is or is a mini MBA worth it to leap leadership roles in human resources.
