

HR Preparing & Developing Training  
Specialist & Coordinator Conference

# HR Preparing & Developing Training Specialist & Coordinator Conference

## Introduction

This HR training and development specialist program is designed for individuals involved in training or development who need to understand the complete process of training work. The HR training and development specialist conference will provide participants with comprehensive knowledge of the new training cycle and guidance on maximizing the effectiveness of internal and external training and suppliers.

## Targeted Groups

- Training Personnel.
- HR Personnel.
- Training Coordinators.
- Training Administrators.
- This HR training and development specialist conference is for individuals interested in the training department process.

## Enhancing HR Specialist Training and Development

With the role of HR Training and Development Specialists evolving, it is crucial to acknowledge their responsibilities and the need for continuous certification. These professionals are tasked with identifying competency gaps and tailoring the training to bridge these gaps effectively.

They ensure employees are current with the necessary skills to enhance performance and contribute to the organization's growth. Attendees can expect to dive deep into the methods that enable a Training and Development Specialist to evaluate and implement impactful training programs.

## Conference Objectives

Participants in this HR training and development specialist conference will be able to:

- Write learning objectives and create specifications for both internal and external use.
- Prioritize training and convincingly explain the prioritization process to others.
- Identify competency gaps and measure training results from competency-based training.
- Recognize what to look for when sourcing external suppliers and how to secure the best value.
- Understand the roles and responsibilities of the 4 critical jobs in training and be able to explain these roles to others.
- Show how training adds value with practical examples in Public and Private Sectors.
- Master the training jargon and professionalize their approach.

## Targeted Competencies

Target Competencies in this HR training and development specialist conference will be able to:

- Master the new training cycle.
- Specify training from external providers.
- Manage and prioritize any training request.
- Implement a training system and understand the available software.
