International Financial Reporting Standards (IFRS) Certification Conference

Introduction:

In a global and increasingly competitive environment, the need for effective and enforced Corporate Governance and International Financial Reporting Standards IFRS is all too evident.

This IFRS international financial reporting standards program establishes the case for corporate Governance and international financial reporting using examples such as the inappropriate practices of creative accounting and off-balance sheet financing and notorious cases like Enron and WorldCom.

In this IFRS international financial reporting standards conference, we evaluate and interpret financial reports prepared under IFRS, emphasizing financial accounting by international financial reporting standards.

Why is IFRS Important?:

Understanding and applying IFRS is crucial for financial accounting professionals operating internationally. The IFRS international financial reporting standards certification provides recognition of proficiency in IFRS, which global organizations increasingly demand.

This IFRS international financial reporting standards seminar aims to enhance participants' skills in financial accounting and international financial reporting standards, ensuring they are up-to-date with international financial accounting standards.

Targeted Groups:

- Finance Professionals.
- Accountants.
- Auditors.
- Individuals seeking to improve their career with knowledge of IFRS.

Conference Objectives:

At the end of this IFRS international financial reporting standards conference, participants will be able to:

- Become aware of the case for Corporate Governance and International Financial Reporting Standards.
- Identify the creative accounting methods adopted by companies when preparing their financial statements.
- Learn how to appreciate the lessons Learned from accounting scandals such as the Enron and WorldCom cases.
- Gain an understanding of the Structure of IFRS.
- Become aware of the adoption of IFRS, Current Issues/IFRS Convergence Projects, and the Convergence Problems.
- Present Financial Statements under IFRS.
- Balance sheet: statement of financial position.
- Income statement: statement of comprehensive income.
- Cash flow statement: statement of cash flows.
- Statement of changes in equity.
- Statement of recognized income or expense "SORIE".
- Notes, including a Summary of the Significant Accounting Policies.
- Gain an understanding of the major IFRS.
- Evaluate and analyze financial statements and the impact of IFRS.
